EXPLANATION OF H. F. 226

The foregoing change is suggested so as to give the Spanish-American War Veterans Department of Iowa a place for its central office, in order that records may be made, kept and preserved relating to the Spanish-American War Veterans, the same as is now and has been previously done by the Grand Army of the Republic. The work of the Grand Army of the Republic in Iowa is practically at an end. The Spanish-American War Veterans will follow in its footsteps, and will be the means of preserving the military history of Iowa.
